On-site **TRUST** is a **MUST!**

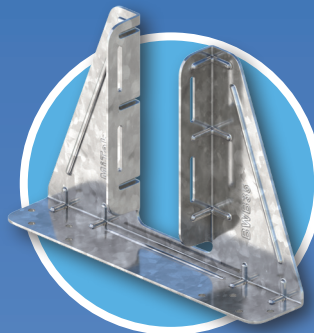

GIRDER BRACKETS

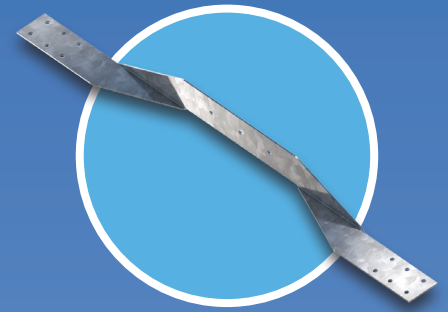

HANGERS

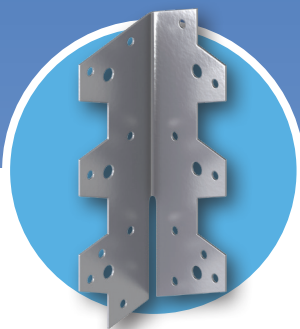

BRACING

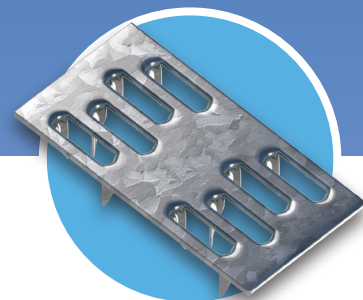

WALL FRAME TIES

ROOF TIE-DOWNS

STAINLESS STEEL

SMALL FASTENERS

MiTek's extensive range of **Engineered Building Products (EBPs)** ensures the structural integrity of a project isn't compromised. Our **CODEMARK COMPLAINT EBPs** are all designed to meet specific load-bearing and engineering requirements and are **tested and certified** to ensure peace of mind and performance. Plus, there's the **FREE MiTek EasyCat App** which contains the latest datasheets and videos showing the correct installation of Engineered Building Products. For more information, visit: mitek.com.au

TERMS & CONDITIONS

Prices and products are subject to change without notice • Goods will be invoiced at the price ruling at the date of order • Prices herein do not include sales tax or G.S.T. • Weight shown (kg/CTN) is approximate ship weight • Our payment terms are strictly nett thirty (30) days • Any goods returned for credit are subject to a 20% re-handling charge • All claims for damages or non-delivered goods must be made to MiTek Australia Ltd in writing within fourteen (14) days after the arrival of goods at the place of delivery, or on receipt of invoice • Ownership of the goods shall not pass from MiTek Australia Ltd to the purchaser until the purchaser has paid for them in full. The risk of loss or damage to the goods shall pass to the purchaser on delivery.

DELIVERY

- Subject to stock availability, dispatch of goods will, where possible, be within two (2) days of receipt or order; however, seven (7) notice of order is desirable.
- Delivery to customers in Capital city metropolitan areas in Free Into Store (conditions apply).
- Delivery to customers outside metropolitan areas is at the customer's cost via their nominated freight company (conditions apply).

Conditions:

- A delivery charge of \$50 will apply for all shipped orders less than \$500.
- A handling charge of \$50 will apply for all the same day pick up orders less than \$500.
- Bracing - due to transport and safety issues, the order quantity for all bracing products is in multiples of 10 bundles per size.

MITEK eSTORE

easier ORDERING!

easier • **FASTER** • smarter

There's never been an easier, faster or smarter way to order MiTek products than **MiTek eStore**. Everything can be done online, anytime, 24/7, so you don't have to worry about late orders or errors as you can double-check your order before submitting! Plus, you can order to a budget, track your order - even set templates to make re-ordering quicker.

For more information about the **MiTek eStore**, call your local state office or visit our website.

Choosing the **RIGHT** Engineered Building Product is as **EASY** as...

MiTek's **EasyCat App** is an electronic catalogue of **Engineered Building Products (EBPs)**. It contains the latest datasheets and, where applicable, links to short instructional videos demonstrating the correct installation of EBPs. It's easy to navigate, has search and 'favourites' features and colour-code groups, making the right product even faster to find. Best of all, it's **FREE!**

Download from the Mac App Store, the Google Play Store or visit our website.
